

Helyx Labs – Universal Proprietary License

Version 1.0

Effective Date: October 12, 2025

Copyright (c) 2025 Helyx Labs

All Rights Reserved

1. Scope of License

This license governs the use of **all products, websites, APIs, and applications** under the Helyx Labs ecosystem, including but not limited to:

Helyx Core, Helyx Aud, Helyx Aura, Helyx Ignite, WhisprAI, Enginuity, Ranger Series, and all other Helyx Labs submodules, research projects, and associated online services.

Use of any part of this ecosystem implies acceptance of these terms.

2. Personal Use Only

You may use Helyx Labs software and services for **personal, educational, and non-commercial purposes** only.

Commercial use, redistribution, or inclusion in paid systems requires **prior written authorization** from Helyx Labs.

3. Age Restriction

Users **under the age of 13** are **not permitted to independently use** Helyx Labs services or software.

Parental or guardian supervision is required for individuals below this age threshold.

4. Ownership and Intellectual Property

All content, code, visuals, and systems belonging to the Helyx Labs suite are the **intellectual property** of **Helyx Labs**.

You may **not copy, modify, distribute, sell, or claim ownership** of any part of the software or website, in whole or in part, without express written permission.

This includes:

- Source code or compiled binaries
 - AI models, datasets, and internal libraries
 - Visual assets, branding, and interface designs
-

5. No Reverse Engineering

You may **not decompile, disassemble, or reverse engineer** any Helyx Labs software, including executable files, AI models, or system interfaces.

Any attempt to bypass encryption, licensing mechanisms, or authentication systems is strictly prohibited.

6. Feedback and Beta Programs

Helyx Labs may offer **feedback forms, beta access forms, and interactive modules** (e.g., Helyx Cogni Chat UI) for testing and improvement.

By submitting feedback or participating in beta programs, you grant Helyx Labs a **non-exclusive, royalty-free, and perpetual right** to use, adapt, and incorporate your input into future developments.

Participation in beta programs is **voluntary** and **not guaranteed to be stable or permanent**.

7. Helyx Ignite

The **Helyx Ignite** system allows users to **launch or control installed applications** via user commands.

Use this feature responsibly.

Helyx Labs is **not liable** for:

- Accidental app launches or closures
- System instability due to third-party applications
- File access or command execution initiated by the user

Users are fully responsible for actions performed using Ignite.

8. Third-Party Integrations

Some components of Helyx Labs may rely on third-party services (e.g., OpenAI, Spotify, GitHub APIs).

Each of these services is subject to its **own license terms and privacy policies**, and Helyx Labs **does not claim ownership** of their content or functionality.

Users must comply with the respective terms of all integrated third-party services.

9. Data and Privacy

Helyx Labs may collect limited analytical or feedback data to improve user experience.

No personal or identifying data will be sold or shared for profit.

For detailed information, refer to the **Helyx Labs Privacy Policy** available on our website.

10. Disclaimer

All software, applications, and services by Helyx Labs are provided “**as-is**”, **without any express or implied warranties**.

Helyx Labs and its contributors shall **not be held liable** for:

- Data loss
- Hardware damage
- Software conflicts or downtime
- Any incidental or consequential damages

Users assume all responsibility for using this software.

11. Termination

Helyx Labs reserves the right to **restrict, suspend, or terminate** access to its services or software at any time, without prior notice, for reasons including but not limited to:

- Violation of this License Agreement
- Misuse or abuse of systems
- Legal or security concerns

Upon termination, users must **cease all use** and delete any locally stored Helyx Labs materials.

12. Legal Notice

Misuse, redistribution, or tampering with Helyx Labs software may result in legal consequences as per Indian law.
