Terms & Conditions

Last Updated: October 23, 2025

Welcome to **Helyx Labs**.
 These Terms & Conditions ("Terms") govern your use of the Helyx Labs software, website, and all related modules, including **Helyx Ignite**, **Helyx Cogni**, and **Helyx Aud**.
 By installing or using Helyx Labs, you agree to these Terms in full. If you do not agree, you must not use the software or related services.

---

1. Definitions

- **"Software"** refers to Helyx Labs, including all features, modules, updates, and components.

- **"User"**, "you", or "your" refers to any individual using or accessing the Software.

- **"We"**, "us", or "our" refers to **Helyx Labs** and its authorized representatives.

---

2. License & Usage Rights

- Helyx Labs is provided under a **Proprietary License**.

- You are granted a **limited, non-exclusive, non-transferable license** to use the Software for **personal, non-commercial purposes** only.

- Commercial, institutional, or business use requires prior written consent from Helyx Labs.

You may **not**:

- Copy, distribute, or modify the Software or any of its components.

- Reverse-engineer, decompile, or disassemble any part of the Software.

- Use the Software to engage in illegal or harmful activities.

---

3. Account & Authentication

- Certain features (e.g., Helyx Cogni and Helyx Aud) may require you to log in using secure authentication via **Supabase and Google**.

- You are responsible for maintaining the confidentiality of your account credentials.

- Helyx Labs does not store or have access to your passwords or tokens.

- Misuse of authentication systems or unauthorized access attempts may result in suspension or termination of access.

---

4. Service-Specific Terms

a. Helyx Ignite

- Helyx Ignite allows users to launch installed applications via command input.

- Use this feature responsibly — Helyx Labs is **not liable for unintended file access, program execution, or system behavior** resulting from user commands.

- Commands are executed only upon explicit user action; no background system access occurs without permission.

b. Helyx Cogni

- Helyx Cogni provides AI-driven interaction and assistance features.

- User inputs may be temporarily processed to improve performance and accuracy but are **not stored permanently or shared externally**.

- You agree not to input sensitive personal or confidential data into Cogni.

c. Helyx Aud

- Helyx Aud delivers curated audio experiences and personalized playlists.

- Interaction data is securely processed to refine recommendations, but **no data is ever leaked, sold, or used for advertising**.

- All audio content is for personal, non-commercial use only. Redistribution or modification of playlists or generated audio is prohibited.

---

5. Data & Privacy

Your use of Helyx Labs is also governed by our **Privacy Policy**, which details how data is collected, stored, and protected.
By using the Software, you consent to the data practices described in the Privacy Policy.

---

6. Beta Features & Feedback

- Certain modules or tools (including Cogni and Aud) may be released as **Beta Features**.

- These are provided "as-is" and may be modified or discontinued at any time.

- By submitting feedback, you grant Helyx Labs a **non-exclusive, royalty-free right** to use your suggestions to improve future versions.

---

7. Intellectual Property

All content, code, design, and documentation within Helyx Labs are the **intellectual property of Helyx Labs**.
You may not reproduce, distribute, or use these materials outside the scope of permitted personal use.

---

8. Limitation of Liability

Helyx Labs is provided **"as-is"** without any express or implied warranties.
 Helyx Labs, its creators, or affiliates are **not liable** for any damages, data loss, or system malfunction resulting from use of the Software.
 You use Helyx Labs at your own discretion and risk.

---

9. Termination

We reserve the right to suspend or terminate your access to Helyx Labs at any time if you violate these Terms or engage in misuse.
 Upon termination, all rights granted under this license will immediately cease.

---

10. Age Restriction

Users under 13 years of age may not use Helyx Labs independently.
 Parental or guardian supervision is required for individuals below this threshold.

---

11. Updates & Modifications

Helyx Labs may release periodic updates that improve performance, add features, or fix issues.
 These Terms may also be updated over time. Continued use after such changes constitutes acceptance of the updated Terms.

---

12. Governing Law

These Terms are governed by and construed in accordance with the applicable laws of India.
 Any disputes arising under these Terms shall be resolved within the jurisdiction of Pune, Maharashtra.
